Reference Chart Legend of Terms:

F• Fresh **A**• Aging **O**• Over Ripe / **Q1** = Quality **A**• **B**• **C**• **D** / **T1**= Temps **U**• Up **D**• Down

Our **SD** Quilted Super Filter ensures your produce & flowers will stay fresher longer, with improved shelf life and amazing quality in your own walk-in refrigerator . Our **SD** filter is the only product in the market place that's Food Grade and will absorb the Big (3) three Moisture, Odors and Ethylene Gas. Only **FridgTech SD** filters can provide you with a super desiccant performance.
